Eric,

As follow up to the call held this morning between OEPA's Scott Nally and USEPA's Tinka Hyde, I was informed that OEPA would like the information EPA received from AEC per the request attached.

I am sending the information request letter that went from USEPA to AEC on February 14, 2011, Docket V-W-11-308-11.

Prior to sending any response information, WECAB must have their Office of Regional Counsel attorney for this case review the information for any non-releasable CBI information. I have requested that review be conducted.

Thanks

Janet
